

Covid-19 Safety Protocols and Guidelines

(updated April 2021)

We at **Crowd Pleasers Dance** are deeply committed to the safety and well-being of our staff as well as you and your dancers while participating in the upcoming summer event that will take place either at your school campus or in a hotel. We are prepared to deliver instruction that will meet the state and local guidelines related to COVID-19 at the time of your event. While the final details and schedule could require up to the day adjustments, and all guidelines are subject to change based on Centers for Disease Control and Prevent ("CDC"), federal, state and local guidance, please be assured that Crowd Pleasers is committed to delivering the same quality of instruction for which we are known. We appreciate your understanding of the flexibility this will require. Below you will find the guidance that we believe is necessary for all participants to follow in order to conduct a safe and enjoyable event. **Please know that the following is in addition to any guidelines applicable to or mandated by your institution, such as local, city and state orders and any guidelines established by your institution.** In addition to this signed document, a copy of all such additional guidelines must be provided to us prior to this event in order for them to be applied. We will need to work together to make sure that all guidelines are communicated, applied and enforced.

FACILITY MANAGEMENT'S RESPONSIBILITIES:

Maintain a clean and sanitized facility at all times during this event.

The facility should be large enough to meet space needed according to current CDC, state and local guidelines.

Access to restroom facility with proper sanitation areas for frequent handwashing. Must be properly equipped with soap, paper towels, trash can by exit, etc. Remove or prop open doors or other high touch points for entry/exit (if feasible).

Access to a separate holding room that participants can go to if feeling ill or present with signs/symptoms consistent with COVID-19.

DANCE TEAM DIRECTOR'S RESPONSIBILITIES:

Director must be present at all times during the event and available to assist the Crowd Pleasers staff in enforcement of the established rules, including recognizing when a participant should be removed for signs/symptoms or violation of rules.

Director must communicate any campus waivers, guidelines or procedures prior to staff arrival/the start of camp.

Director must ensure the completion of the participation waiver by all directors, dancers and anyone else who will be present during this event attesting that they have read, understand, and will comply with the safety guidelines.

PARTICIPANT'S RESPONSIBILITIES:

Anyone that feels sick, shows any symptoms of COVID-19 listed by the CDC, including cough, shortness of breath, fever, chills, muscle pain, sore throat, and new loss of taste or smell, has been diagnosed or presumed positive for COVID-19, or has been around someone who has been diagnosed or presumed positive for COVID-19, currently or within the last 14 days, must stay home.

Anyone who is living with a house member who is currently sick, feels sick, shows any symptoms of COVID-19 listed by the CDC, including cough, shortness of breath, fever, chills, muscle pain, sore throat, and new loss of taste or smell, has been diagnosed or presumed positive for COVID-19, or has been around someone who has been diagnosed or presumed positive for COVID-19, currently or within the last 14 days, must stay home.

Anyone that develops symptoms must immediately inform staff and comply with the procedure of removal from the event. They must cooperate with staff and make a list of all persons whom they have been in close contact with (the CDC defines close contact as being within 6 feet of someone for a period of 15 minutes or more), including in the 48-hour period before developing symptoms.

Anyone with pre-existing conditions/compromised immune system should speak with their doctor and get clearance from their doctor before attending this event.

Participants will monitor themselves for symptoms of COVID-19 listed by the CDC, including cough, shortness of breath, fever, chills, muscle pain, sore throat, and new loss of taste or smell, and check their own temperature each morning, both 7 days prior to attending this event and every morning before the event begins. If the person displays any COVID-19 symptoms or a temperature of over 100° Fahrenheit, during the 7 days prior or any morning during this event, they must remain home and report their symptoms and temperature to their director.

Maintain social distancing according to facility, state and/or local guidelines.

Each person must provide their own face mask or face covering which shall be worn as required by state and local governmental guidance.

We recommend attendees bring their own water bottle labeled with his or her name.

Attendees must bring their own wipes/tissue/hand sanitizer.

Attendees must not touch anyone's belongings except for their own.

Attendees must cover coughs and sneezes.

No shared personal equipment will be used (ie: poms or props), unless properly disinfected in between use.

Allow for drop off and pick up ONLY (or participants driving themselves). No visitors will be allowed on site.

CP STAFF RESPONSIBILITIES

Staff will monitor themselves for symptoms of COVID-19 listed by the CDC in its most current guidance and follow any and all applicable health and safety protocol/guidelines applicable to them and set forth within the participant's section above.

Staff will be educated on the COVID-19 protocols as well as guidelines applicable to or mandated by school/organization, as provided by school/organization.

Staff will be prepared to instruct in shifts if space is not conducive to social distancing rules.

Staff will give verbal instructions to participants each day, and throughout the day, on social distancing requirements

Instruction will be taught maintaining physical distancing and precautionary measures.

Staff will wash/sanitize their hands upon entering the building before instruction begins.

Staff will bring their own water bottle labeled with his or her name.

Staff will maintain social distancing according to facility, state and/or local guidelines.

Each staff member will provide their own face mask or face covering which shall be worn as required by state and local governmental guidance.

Staff will supply their own wipes/tissues/hand sanitizer.

Staff will not touch anyone's belongings except for their own.
